ACADEMICALLY EXCELLENCE

UFPel strives to graduate professionals by emphasizing education, research, academic outreach, and internationalization. The university aims to contribute to societal development by excelling in innovative methods and quality across various fields, including science and technology, arts, and culture.

UFPel: GLOBALLY CONNECTED AND ACADEMICALLY EXCELLENT

UFPel maintains extensive agreements with international higher education institutions, enabling academic mobility. With a strong international focus, the university's structure includes an International Relations Office supporting foreign students and researchers. Additionally, UFPel offers student housing and Portuguese language learning for international students and staff. Renowned for academic excellence, UFPel participates in international cooperation projects like the Global Observatory for Physical Activity and the International Center for Equity in Health, enhancing connections with research centers worldwide.

UFPel: DRIVING ACADEMIC OUTREACH, RESEARCH, AND INNOVATION

UFPel leads in academic outreach, research, and innovation, hosting 500 cultural and academic extension activities annually. These initiatives foster collaboration, preserve local identity with a global outlook, and emphasize knowledge creation.

UFPel's researchers consistently produce impactful work, reflected in their high citation impact index.

Additionally, the university invests in innovation programs and files numerous patent applications, showcasing its dedication to advancing research and innovation.

ACADEMIC DIVERSITY AT UFPel: PROGRAMS AND RESOURCES

UFPel offers a comprehensive educational experience with its diverse range of academic programs across various fields of knowledge. With four campi (Capão do Leão, Ciências da Saúde, Ciências Sociais, and Porto), twenty-two academic units, and eight libraries, our university caters to students at every stage of their educational journey. In addition to these facilities, UFPel also provides access to various other educational resources in the city of Pelotas, including the Agência de Desenvolvimento da Lagoa Mirim, Centro Agropecuário da Palma, Museu de Ciências Naturais Carlos Ritter, Conservatório de Música, Museu de Artes Leopoldo Gotuzzo, Grande Hotel, Hospital Escola, Museu do Doce, and Casa do Estudante Universitário Gráfica da UFPel.

Our academic programs cover a wide range of areas:

- Arts and Humanities
- Clinical and Health Sciences
- Computer Science
- Engineering
- Social Sciences
- Life Sciences
- Physical Sciences
- Business and Economics
- Education
- Law
- Psychology

Whether you're pursuing undergraduate, master's, doctoral, or specialization studies, UFPel is dedicated to providing a comprehensive education to meet your needs.
