

CALL FOR APPLICATIONS MCTI/FINEP/FNDCT/THEMED CENTERS 2024

Letter of Expression of Interest

I hereby express my interest in the project **"Development of Sustainable Technologies for the Rice Production Chain: from the Field to the Table (TEC-Rice)"** from the Federal University of Pelotas and Delfim Mendes Silveira Foundation, registered under the CNPJ numbers 92.242.080/0001-00 and 03.703.102/0001-61, respectively, submitted to the public CALL FOR APPLICATIONS MCTI/FINEP/FNDCT/THEMED CENTERS 2024.

Interest in the object of the project:

Given the significant qualification, modernization, and expansion of the instrumental park, the possibility of expanding scientific collaboration and the services to be offered by the NATIONAL CENTER FOR INNOVATION IN SUSTAINABLE AGRI-FOOD SYSTEMS (CISAS), we express great interest in the project "Development of Sustainable Technologies for the Rice Production Chain: from the Field to the Table (TEC-RICE)".

Competencies related to the object of the project:

University of Graz, Institute of Chemistry is an expert environmental and analytical chemistry and in particular in the area of arsenic speciation in soil and rice .

Graz, 26th of March 2025

Prof Dr Jörg Feldmann, FRSC, FRSE

Head of the Institute of Chemistry

University of Graz
